

# 5th ANNIVERSARY

BEER BRINGS US TOGETHER

## Tasting Notes:

This dark and foreboding beast slumbered in rum and bourbon barrels for over a year. It has emerged with its intensity taken to new heights. Balance may not be the first thing you think of after taking a sip, but when everything is over the top, we consider that balanced.

Style: Blend of Stouts aged in Martinique Rhum, Nevada Bourbon, and Kentucky Bourbon barrels.
